

What is Weebly for Education?

- A free service for teachers & students to easily build websites (used by over 100,000 teachers & students)
- Teachers can create classroom websites & manage the sites created by their students
- Students can create websites for projects & e-portfolios

Weebly has a simple, intuitive interface that is friendly for both teachers & students.

Check out this quick demo video:

Why do teachers & students love Weebly?

Teachers can:

- Create powerful classroom websites (that include photo galleries, videos, audio clips, blogs, contact forms & more)
- Accept homework assignments online
- Provide students a new, engaging way to express themselves creatively
- Easily manage & monitor students' websites

Students can:

- Build attractive, media rich websites
- Work within a managed, controlled environment
- Gain exposure to new web technologies & services
- Have fun while completing assignments
- Showcase their work in a self-created e-portfolio

Weebly is free?

It sure is. We pride ourselves on offering a compelling & powerful free service. We also have a "Pro" level of service that teachers can purchase for additional features and a "Campus Edition" that schools can purchase for managing all accounts in a school (described on the next page).

Weebly Pro costs \$39.95/yr. When a teacher upgrades to Pro, all student accounts managed by that teacher are automatically upgraded as well.

Here are the key differences between the free & pro options:

	Teacher Accounts		Student Sub-accounts	
	Free version	Pro version	Free Version	Pro version
# of websites per account	2	10	1	10
# of pages on website	Unlimited	Unlimited	5	Unlimited
Bandwidth & hosting space	Unlimited	Unlimited	Unlimited	Unlimited
Audio player element	-	Yes	-	Yes
Video player element	-	Yes	-	Yes
Embedded document element	-	Yes	-	Yes
Password protected websites	-	Yes	Yes	Yes
File size limit (per file uploaded)	5MB	100MB	5MB	100MB
Premium support response	-	Yes	Support provided by teacher	
Advertisements	No Ads	No Ads	No Ads	No Ads
Remove Weebly footer message	-	Yes	Student sites have a log-in link	

**A teacher account includes 40 student sub-accounts.
Additional student sub-accounts can be purchased for \$1 each.**

Weebly for Education - Campus Edition

The Weebly for Education Campus Edition lets school administrators centrally manage all teacher & student accounts from within a single interface.

Benefits:

- Administrator dashboard for centralized management and billing of all accounts in the school
- Create & setup new accounts in bulk
- Teacher & student accounts include all “Pro” features
- The cost of “Pro” accounts is 38% less in the Campus Edition compared to purchasing accounts individually

Free Trial:

To allow you, and all the teachers & students in your school access to Weebly’s full feature set, we can set you up with a 30 day free trial of the Campus Edition.

If you decide not to keep the Campus Edition active, the teacher & student accounts will be gracefully downgraded to the free account feature set.

To get started with a trial, email education@weebly.com.

For Campus Edition pricing, see the next page.

Campus Edition Pricing

Base Plan:

Manage up to **20** teacher accounts and up to **500** student sub-accounts

\$499/yr

Additional Account Packs:

1 teacher account and **25** student sub-accounts

+\$25/yr

Example 1: You would like to purchase Weebly for 30 teachers. The price would be \$499 for the base plan that includes 20 teachers + 10 x \$25 for the 10 additional teacher accounts. These teachers could manage up to 750 students.

Example 2: You would like to purchase Weebly for 600 students. The price would be \$499 for the base plan that includes 500 students + 4 x \$25 for 100 additional student accounts. These students could be managed by up to 24 teachers.
